

FROM THE CREATORS OF **SAMSON & DELILAH**

CALL OUT for TRUE GHOST STORIES

Seen a ghost? Know someone who has? Had a weird experience that you can't explain?

We want to hear from you.

Aunties, uncles, brothers and sisters - this is an opportunity to tell us your stories for research for a new program from the creators of the movie Samson & Delilah.

We are looking for firsthand ghost stories that are poignant to our struggles and relevant to Indigenous issues - the blacker the better!
